

Alnwick Castle

Charitable donation requests

At Alnwick Castle we aim to do our best to support local charities and good causes.

Due to the high number of charitable donation requests we receive each year, we regret that we cannot fulfil them all. The below criteria have been put in place to aid us in assessing each and every request that we receive to ensure that we are helping as many people as possible and that donations are distributed fairly.

We have a limited number of complimentary family day tickets to offer each month. In order to have your request for a ticket be considered, please read through the following information and return the completed form to us. We regret that we cannot consider any applications that come to us without a completed form.

- In order to have your request considered, you must be based within Northumberland, Newcastle or North Tyneside.
- In the interest of fairness, we are unable to offer a donation to the same organisation, event or group in consecutive years.
- All requests are considered on a first come, first served basis.
- If your request is successful, you will be issued with a gift certificate which can be redeemed for a single use family ticket to the castle. A family ticket grants access for 2 adults and up to 4 children.
